

2023 Annual Meeting Preview

September 30, 2023

The ASA, CSSA, SSSA International Annual Meeting is a place of discovery.

Come see the future of your science

Agronomy. Crops. Soils. All the science, networking, learning and exploration adds up to one transformational experience. Get up close with science visionaries, experts and peers. We will see you there.

Join 4,000+ trailblazers at one premier event with 3,000+ abstracts

Learn	Connect	Have Fun	Broaden Opportunities
Explore thousands of sessions packed with innovation.	Interact with professionals and colleagues to enrich your understanding	Gear up for scientific fun!	Expand your perspective and arm yourself with cutting-edge resources.

Lock-in early bird savings register by September 20

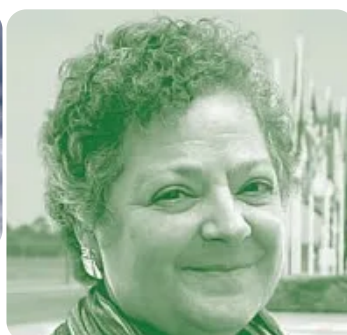

Spark inspiration with our speakers

*Opening Keynote
Speaker
Dr. Chavonda Jacobs-
Young*

*SSSA Plenary
Nyle C. Brady
Frontiers of Soil
Science
Lectureship
Yan Jin*

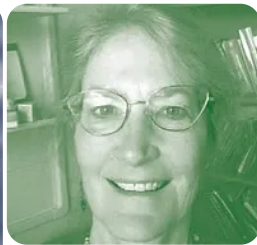

*ASA Plenary E.T. &
Vam York Distinguished
ASA Lectureship
Sieglinde Snapp*

*CSSA Plenary Betty
Klepper Endowed
Lectureship Stephanie
Morningstar*

*Francis E. Clark
Distinguished
Lectureship on Soil
Biology Bruce Hungate*

*Rattan Lal
Climate
Lectureship
Michelle Wander*

*Martin and Ruth
Massengale Lectureship
Lisa Ainsworth*

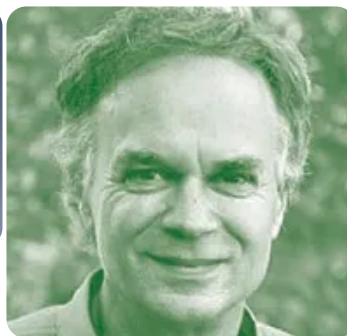

*William H. Patrick, Jr.
Memorial Lectureship
Jonathan Remo*

*Ron Phillips
Plant Genetics
Lectureship William
Rooney*

*Calvin Sperling
Memorial
Biodiversity
Lectureship
Irwin Goldman*

*Calvin Sperling
Memorial
Biodiversity Lectureship
Irwin Goldman*

*Sergei A. Wilde
Distinguished
Lectureship on Forest
Soils
Cindy Prescott*
