Register Today for the 2023 International Annual Meeting

July 10, 2023

Open Science
Inspires

Oct. 29-Nov. 1, 2023 ■ St. Louis, MO

or Limited Virtual

In addition to an estimated 4,000 of your colleagues attending to create solutions to advance science, and thousands of scientific abstracts, oral and poster presentations, and sessions of innovative research being shared, the 2023 Annual Meeting in St. Louis

also offers 20 professional workshops and tours.

Professional Workshops

- Rediscovering Soil Micromorphology: Practical Applications and Interpretations
- Mixed Models for Agricultural Science
- Measurements to Connect the Soil–Plant–Atmosphere Continuum
- Decoding Soil Biology
- Fiber Biofortification of Cereals for Public Health and Systemic Food Transformation
- Exploring Soil Testing Methods That Inspire Community Engagement With Urban Soil Science
- Predictive Soil Spectroscopy
- Peer Review Training
- Data Preparation for Submission and Deposition
- Normal and Catastrophic Mortality Management on Livestock Farms
- Women in Science Workshop: Overcoming Gender Bias

Professional Tours

- Urban Pedology in St. Louis, MO and East St. Louis, IL (A Search for Artesols)
- From Grass to Glass, Local Agriculture Connecting With Local Community
- Danforth Center
- Turfgrass Tour
- Missouri Botanical Garden
- Bayer Crop Science Chesterfield Campus
- Soil Health in Missouri—Long-Term Research in Diverse Landscapes
- MO Cover Crops, MO Grazing
- From the Ancient to the High Tech... a Graduate Student Tour

Learn more and register at acsmeetings.org/tours-and-workshops.

Can't Join Us in Person? Join Us Virtually!

The Limited Virtual Registration is a focused version of our in-person meeting, featuring:

- Live audio/content broadcasts of the opening keynote and Agronomic Science Foundation lectureship series
- Interactive access to select live events/broadcasts at both session and presentation levels
- On-demand international oral and poster presentations

There's Still Time to Submit an Abstract

The final virtual abstract submission deadline is September 20. Visit acsmeetings.org/submit/virtual
