We are pleased to announce the recipients of the 2022 Editor's Citation for Excellence for reviewers and associate editors for our journals

(www.crops.org/publications/journals).

All journals published by ASA, CSSA, and SSSA depend on the commitment and dedication of volunteer reviewers and editors to maintain the high level of quality articles. The following individuals provided particularly noteworthy reviews and edits for these journals during 2022. If you are interested in reviewing manuscripts, volunteer by contacting the journal editors.
