Start your days at CANVAS with a warm cup of coffee, a welcoming atmosphere, and a chance to connect directly with Society leaders. “Coffee with the Presidents” is designed to foster conversation, build relationships, and create opportunities for you to share your voice while getting to know your peers and leadership in an informal setting.

Each morning, join the presidents and CEO of our Societies for complimentary coffee or tea and discover more about the work of ASA, CSSA, and SSSA. Whether you are a first-time attendee or a long-standing member, this is your opportunity to ask questions, explore ways to get involved, and gain insight into leadership opportunities within the Societies.
