

Advance yourself professionally while advancing science

January 7, 2026

Take your membership to the next level, and share your expertise, passion, and connections by hosting a special session, professional tour, or workshop at the 2022 ASA, CSSA, and SSSA Annual Meeting.

Anyone can submit a special session, tour, or workshop. Special session topics must appeal to a multi-organizational audience. Professional tours should allow your peers to gain behind-the-scenes access, and workshops should offer hands-on experiences.

Submit today to gain professional recognition, share information for all to succeed, and foster collaborations with your peers.

Learn more at www.acsmeetings.org/submit-special-sessions.

Submit online now through 25 February.
