Annual meeting abstracts

Communication and Public Engagement for Healthy People and a Healthy Planet

By submitting an abstract to the 2022 International Annual Meeting of ASA, CSSA, and SSSA, you'll gain professional recognition and presentation experience all while expanding your CV/vita, sharing information for all to succeed, and fostering collaborations with your peers.

Don't have the detail you need to submit an abstract? No problem! Abstracts at this point are simply "holding slots" that reserve your spot in the desired session. Submit now and update later!
