Advance Yourself Professionally While Advancing Science

Take your membership to the next level and share your expertise, passion, and connections by hosting a special session, professional tour, or workshop at the 2023 ASA, CSSA, and SSSA Annual Meeting in St. Louis, MO, 29 Oct.–1 Nov. 2023.

Anyone can submit a special session, tour, or workshop. Special session topics must appeal to a multi-organizational audience. Professional tours should allow your peers to gain behind-the-scenes access, and workshops should offer hands-on experiences.

Submit today to gain professional recognition, share information for all to succeed, and foster collaborations with your peers.

Learn more at www.acsmeetings.org/submit-special-sessions.

Submit special sessions online now through 17 February and tours and workshops through 7 April.
